

Be part of our future – and theirs, – with a monthly gift to help the children of Great Ormond Street Hospital

We have wonderful plans for our hospital. And with regular gifts, we really can make them happen. Join our family as a regular supporter, and you'll be helping to build an even more hopeful future for Great Ormond Street Hospital, and the thousands of children who come through our doors every year.

With your help,
here's how we aim to do it:

Vital research to pioneer new treatments and cures

Many of the children who come to us have life-threatening and complicated conditions. We're continually helping to fund research for causes of childhood illnesses and turning our new knowledge into ground-breaking treatments... giving children the best chance possible.

Remarkable new equipment

From MRI scanners specially adapted for children, to surgical apparatus delicate enough to operate on a baby's heart, you'll be amazed at the extraordinary equipment here at the hospital. It might be expensive, but it's worth every penny if it means saving even more young lives.

Helping families and carers stay close by

Imagine being a young child, desperately unwell, separated from the people you love most. We do our best to make sure no child goes through that. In fact, for every child's bed, we aim to have a bed next to it for mum or dad. For families it can be tough too – so we provide patient and family accommodation to help out where we can.

Building brighter, better, more child-friendly wards

It's amazing how small things can make a difference. Sunshine flooding into a ward. A quiet place for mum and dad to have a cup of tea and take a break. A shower room that's right next door, not down a corridor or on another floor. This is why we're rebuilding and refurbishing the hospital – so we can create more rooms and more wards to treat even more children.

Let's help even more children
get better and get home.

Yes I am a UK taxpayer and would like Great Ormond Street Hospital Children's Charity to reclaim tax on the donations I have made in the last four years and any future gifts I make. I understand that if I pay less income tax and/or capital gains tax than the amount claimed on all my donations in that tax year (6th April - 5th April), it is my responsibility to pay any difference.

Sorry, I don't pay tax.
